

ALL SOUTHBOUND LANES CLOSED AT THE ROUTE 1 AND ROUTE 30 (GOVERNOR CARLOS G. CAMACHO ROAD)

**Saturday, May 21, 2022 at 4PM
to Monday, May 23, 2022 at 6AM**

The Department of Public Work's contractor will be milling and paving the southbound lanes of the Route 1 and Route 30 (Governor Carlos G. Camacho Road) Intersection. There will be temporary lane shifts and closures during the construction period but access to businesses/residences will be maintained. Traffic will be reduced to one lane in each direction, and access to and from Route 1 and Route 30 will be diverted to Serenu Avenue. Motorists are advised to drive cautiously through the construction zones, observe all posted speed limit and construction signs, and carefully heed flaggers (when present). The Guam Police Department will be directing traffic at the respective intersection. Anticipate delays and plan your drive accordingly. Motorists may use Route 8 and Route 14 (Chalan San Antonio) as alternate routes.
